Guidelines for Contributors

Submission

Manuscripts are accepted for review with the understanding that the same paper has not been published and is not being considered for publication by other journals. Papers should be submitted by email to Prof. Bing Liu: jbiomath@126.com or jbiomath@hotmail.com. Every submitted paper will be acknowledged and refereed. A rejected paper will not be returned to the author. Once a paper is accepted for publication, the author is assumed to have transferred the copyright to World Scientific. There is no page charge. The first author will receive 50 reprints of his paper free of charge.

Types of Articles

IJB accepts research papers as well as extended survey articles that provide a thorough presentation of recent results in the field. There is no a priori limitation on the length of submitted manuscripts, and even long papers may be published.

Detailed instructions for preparation of manuscripts are available @
